The District is located in whole or in part in the extraterritorial jurisdiction of the City of Austin. These areas and the specific annexation plan for each are shown on the attached map. The Agreement also provides for the conversion and the timing for conversion of the District to a Limited District and establishes the governmental and operational relationship between the City and the District while the District or the Limited District continues in existence, all as authorized by Section 43.07451, Texas Local Government Code. A copy of the Agreement may be obtained by contacting the offices of the District, and questions concerning the Agreement may be directed to the District or the City of Austin Planning, Environmental and Conservation Services Department.
