

Springwoods MUD Spring Clean Up Day April. 17, 2010

Time: 9 a.m. to 2 p.m.

**Location: Springwoods Park, at
9117 Anderson Mill Road**

Get rid of that larger-than-usual junk that won't fit in your trash bin. Twice a year the Springwoods MUD sets dumpsters down at Springwoods Park to help residents get rid of the stuff that clogs garages, closets and yards.

This service is for Springwoods MUD residents only and proof of residency is required **in the form of a current driver's license** or Newsletter/Postcard Notice. In addition, we can only accept residential refuse. Any trash that looks like construction debris or is of a commercial nature will be declined.

Other items that are **not** accepted in the solid waste service include the following:

- Appliances without Freon removed and/or valid tag attached, cannot be accepted, i.e. freezers, air conditioners, refrigerators, unless they are tagged as Freon-free by a certified CFC contractor.
- Batteries
- Tires
- Paints
- Oil Products, Oily Rags, Oil Filters
- Industrial or Hazardous Chemicals, Herbicides and Pesticides, Radioactive Materials, or Household Chemical Waste.
- Fluorescent Tubes
- Medical Waste, Dead Animals, Dirt, Sand, Concrete
- Please do not bring yard waste such as tree limbs, branches, leaves, etc. as these items are picked up weekly when you place your yard waste by your curb and are picked up by TexasScapes.
